

MEDDMO ON IDENTIFYING MIL TRAINING NEEDS

MEDDMO is conducting a survey to identify disinformation impact and pinpoint training needs of three target groups: journalism students, journalists, and the broader public; progressing to the next stage of data collection.

ROMANIA SURVEY MEDIA CONSUMPTION HABITS

Romania - **BROD** is currently in the process of conducting a survey on the "Media Consumption Habits" of kids and teenagers. The team is developing focus groups along with a comprehensive questionnaire for the study.

BULGARIA'S MINORITY COMMUNITIES

Bulgaria - **BROD**, in collaboration with local NGO "Trend Bulgaria," will be surveying LGBQ+ and minority groups to develop tailored media literacy training based on their unique needs and priorities.

FACTCHECK STARTER PACK!

With enough time and training, anyone can learn about image verification, which can be a good weapon to defy disinformation. To help you getting started, Bellingcat (**BENEDMO**) selected a couple of sources that might be helpful during your verification and research process.

BE MEDIA SMART: Workshop in a Box

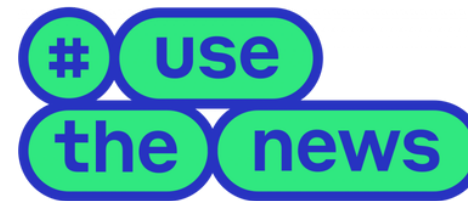

EDMO Ireland and Media Literacy Ireland have joined forces to deliver a series of webinars and training sessions (with teaching guidelines, learning resources) to promote media literacy concepts and practices across the country, especially in relation to best practices to analyse and evaluate the information we come across daily.

“
